We are in receipt of your letter dated 02/18/2016 and we hope the following response along with the amended reports will aid you in your inquiry.

The amended report for period 07/01/2015-12/31/2015 reflects new information that was not previously available when the first report was filed.

The amendment reflects an explanation for the miscellaneous Money Order which was from Wells Fargo to transfer the closing balance from a closed account into the new Wells Fargo Account.

The adjusting balance of \$4,404.74 has all been accounted for when the previous treasurer turned over the statements from the closed bank account. While one could question the veracity of the charges made, I have no knowledge of an agreement to which I can reconcile what is appropriate or not.

The previous treasurer has refunded these overcharges and will be reflected as a returned expenditure on the next report.

Should you feel the need to audit our reports you will have full cooperation from me on this matter.

Sincerely,

Tom Bjorklund
